Gil,

As currently noticed, we are unable to proceed with simultaneous depositions of Rybacki and Rockwell 30b6 on August 20.

We will need to reschedule one of the depositions for another date. An alternative date that is available is August 28 in Milwaukee. Please let me know how you want to proceed.

Best,

Paul

Paul:

Please see the attached amended notices and acknowledge receipt of the same. The notices have been amended to reflect the new date and start times that the parties agreed to last Friday. Also, please note that Topic 3 of the Rule 30(b)(6) notices to Rockwell was amended to clarify that it includes information regarding the version control system used to track changes to the source code as we indicated during the first hour of the meet-and-confer in which Dave De Bruin participated.

Mr. Kegley has not been served as of this morning, so his deposition will not go forward as noticed. We will issue an amended subpoena specifying a new time and date for his deposition.

During our call, you agreed to confirm whether Gregory A. Bell was still an employee at Rockwell. Please let us know by 3:00 PM CDT what you find out regarding his status at Rockwell.

Sincerely,

Gil Espinoza

Marshall and Gil,

After our call this morning you were supposed to get back to me whether August 20 worked for the Rybacki deposition as well as to discuss the 30(b)(6) depositions of Defendants. Where do we stand on this?

In addition, is the Kegley deposition going forward on Tuesday in Minneapolis? We need to make travel arrangements and need to know whether you heard back from him on scheduling.
